Cultural statistics in Czechia

The statistical service for the entire area of the culture is provided by

- **NIPOS** (The National Information and Consulting Centre for Culture), its department **CIK** (The Centre of Information and Statistics on Culture)
- on behalf of the Czech **Ministry of Culture** and in cooperation with the **Czech Statistical Office**.

1) Annual surveys of different culture providers (museums, theatres, orchestras, festivals...)

2) Satellite Account of Culture (all financial flows into and out of culture, macroeconomic perspective)

surveyed annually since 2012
